

Nutrition Research Funding Program

LETTER OF INTENT

Please read the guidelines before completing the form.

1. Principal Investigator:

Name and Title:

Institution:

Phone:

Email:

2. Co-investigators and Collaborators: (please list all names and institutions)

Each co-investigator and collaborator must have accepted to be part of this project.

Name(s) and institutions(s):

Name(s) and institutions(s):

3. Project Title:

(The title should reflect the main objective of the project.)

4. Lay Summary:

5. Background:

Summarize the context and rationale for pursuing the project, including 3 to 5 references and key ongoing research in the area.

6. Specific Objectives:

7. Experimental Approach:

Describe briefly the experimental design and methods, and available facilities and equipment.

8. Team Expertise:

Outline the role of each team member and collaborator.

9. Alignment of the Project with DFC's Research Priorities:

Refer to the Appendix of the program guidelines.

10. Expected Outcomes and Significance of the Project for the Dairy Sector:

Outline the potential outcomes, the implications for dairy products and the significance for the dairy sector. In case of new uses of dairy products or new technologies, provide a short discussion of economic feasibility.

11. Opportunities for Knowledge Transfer and Translation:

12. Budget:

	YEAR 1	YEAR 2	TOTAL
Total Project Budget:			
Personnel:			
Material and Supplies:			
Travel:			
Other Expenses:			

Requested from DFC:

Requested from Other Sources:

Description of the main budget items:

Other sources (Describe other expected sources and specify which objectives/parts would be funded by the other sources):

13. External Reviewers:

Please provide a minimum of 6 external reviewers who would be qualified to review your Proposal and who have no conflict of interest with the Principal Investigator or Co-investigators and have not collaborated with the Principal Investigator in the past 6 years (full name, institution, area of expertise and email are required).

14. Literature cited

Submit by email at dairyresearch@dfc-plc.ca after completion.
